

CHE UAB Newsletter

-September 2025-

Welcome Back

We hope everyone had a restful and fun summer! We are so excited to see old faces and meet new students on campus, and we hope you will join us at our first general meeting to learn more about our organization and the resources and events it can provide to you to better your experience as a student here!

Upcoming Events

McKetta Alumni Weekend: 09/04-06

Come out and join all the events planned for the CHE faculty, alumni and students! Check out all the details on the McKetta website!

Engineering EXPO: 09/10-11

The Engineering Expo is coming up! The expo will be held at the Rec Center. Check out the details on the Cockrell website. Start polishing your resumes and remember to have fun!

Study Nights w/ AIChE & OXE: 09/16

Having trouble studying for a particular class or have a big exam coming up? Join UAB and AIChE and OXE for study nights on 09/16 from 7-9 at CPE 2.220!

First GM: 09/08

Our first General Meeting will be held on September 8 at 6:30 in CPE 2.222! Come by and get to know more about CHE UAB and meet your officers!

Reminders

Give our new website a look to learn more about our officers, our purpose, and resources we offer to fellow chemical engineering students!
